Stroke Coordinator Boot Camp

June 7 - September 27, 2018

The SouthWest Affiliate's Quality & Systems Improvement Department is pleased to launch a virtual Stroke Coordinator Boot Camp. This exciting series will consist of 15 weekly, one-hour lectures. CEUs will be awarded for each session completed.

The goal of this series is to educate Stroke Coordinators in key components of their role, provide tools and resources to build and maintain successful programs, and to assist in building a large network of peers.
