

For EMS Staff and First Responders

B-Con Basic Instructor Training

Join the trauma team from Baylor University Medical Center, part of Baylor Scott & White Health, as they provide free Bleeding Control Instructor Training for “Stop the Bleed,” a national education program of the American College of Surgeons Committee on Trauma.

EMS staff and first responders are invited to this 90-minute Train-the-Trainer program. Just choose from one of the two dates listed for the opportunity to train others and empower civilians to provide immediate intervention and bleeding control to a victim of traumatic injury.

Baylor Scott & White - Emergency Center

Date: Monday, Sept. 24
6:00 PM-8:00 PM
Monday, Oct. 5
