

# ***TSA-E Regional Coordination Call – Pediatric Surge***

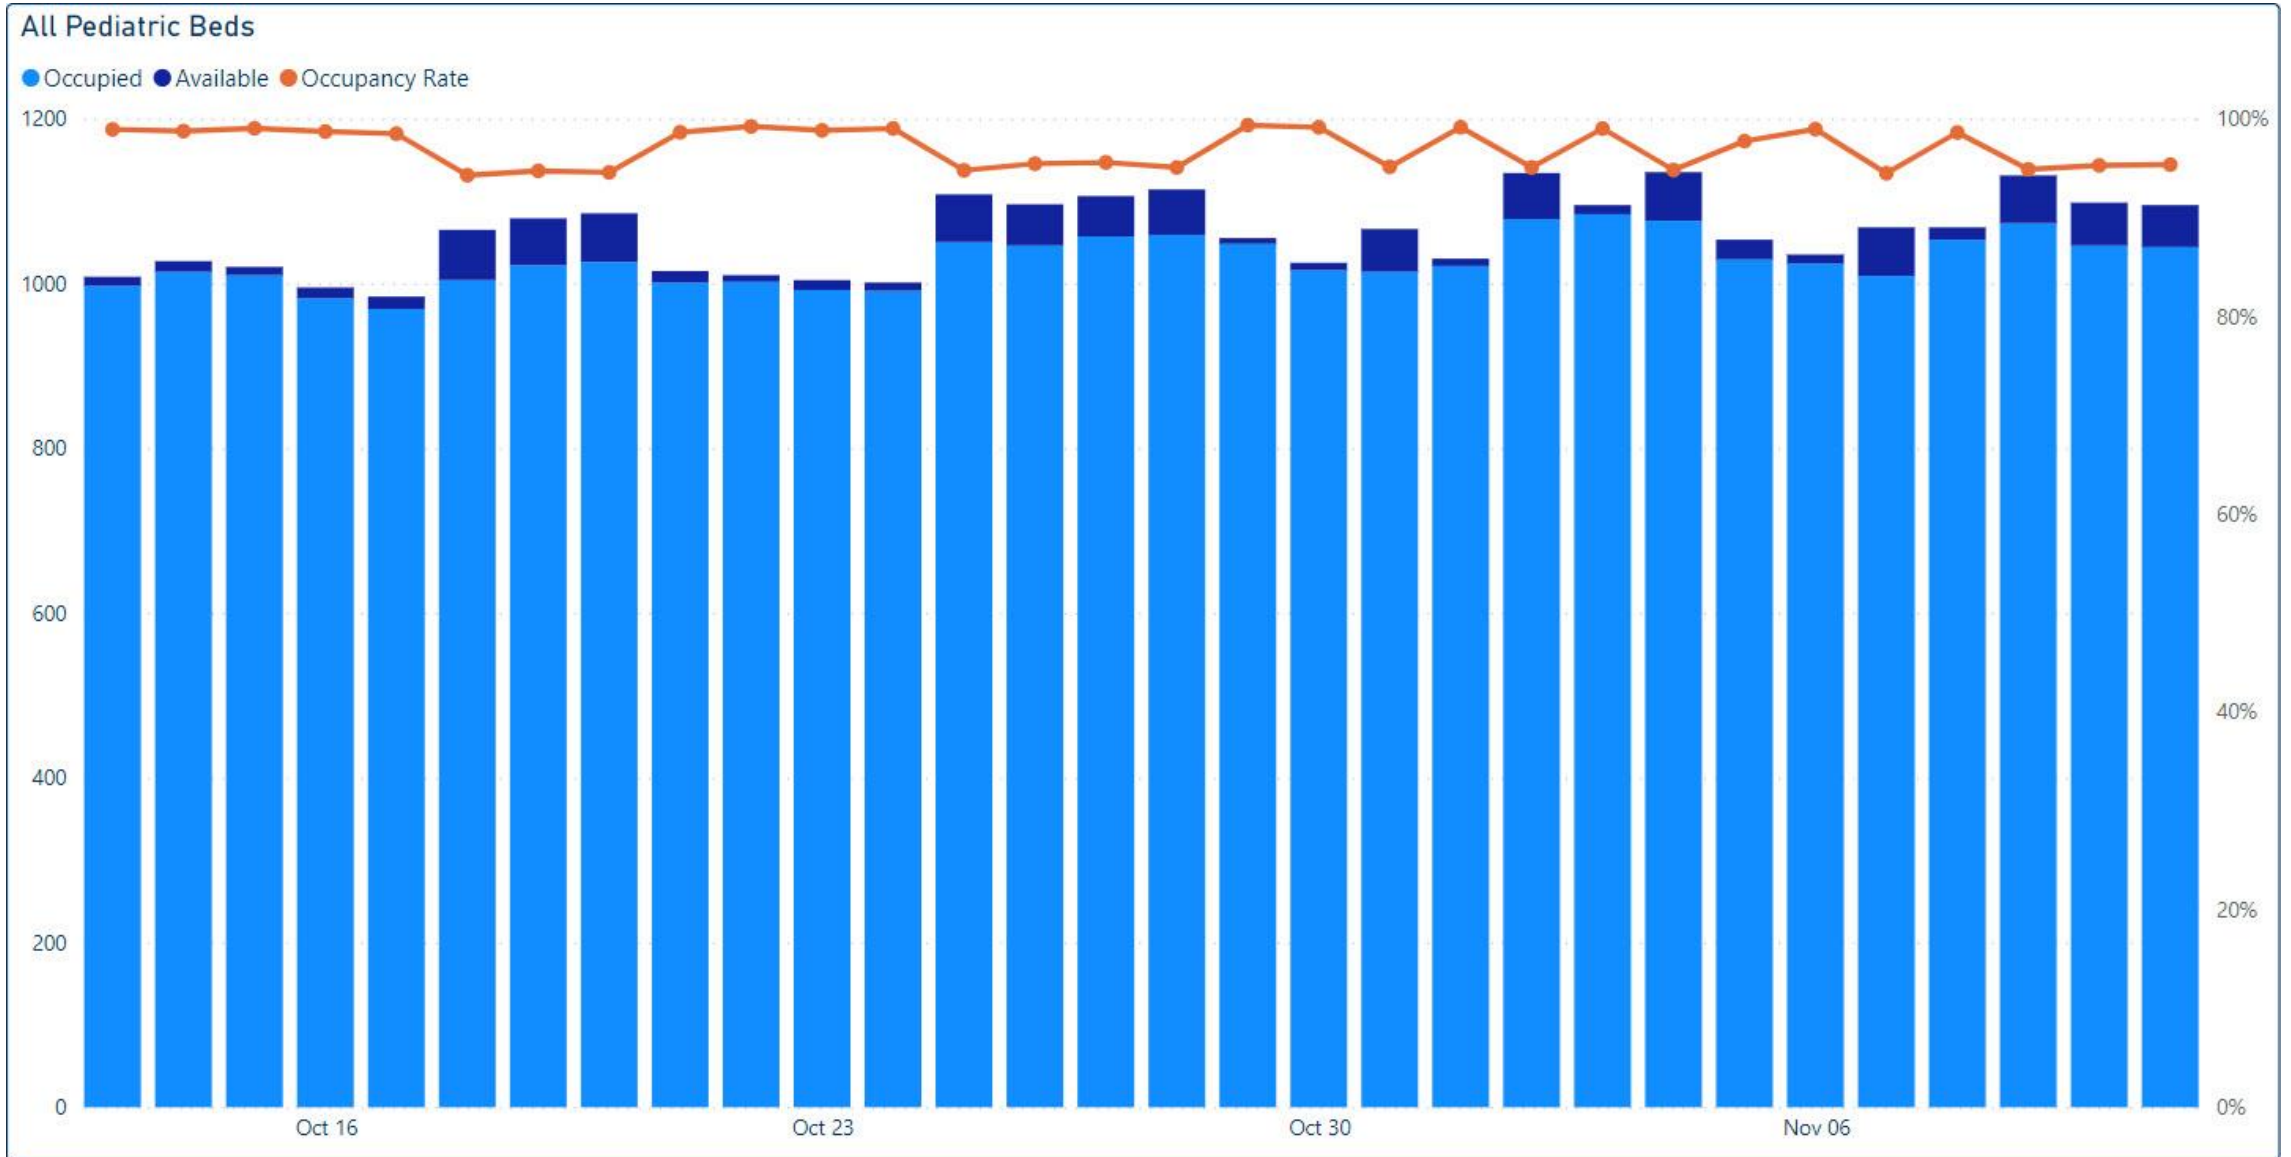

# Coordination Call Overview

- Purpose: Discuss the current state of Pediatric Surge in TSA-E
- Audience: Leadership, clinicians, and emergency managers from pediatric hospitals and non-pediatric hospitals
  - Other partners may listen, but no media or public
  - Rename yourself to include facility/organization you represent
- Agenda
  - Regional Briefing
  - Action Items from Last Call
  - Situation Reports from Pediatric Hospitals
  - Situation Reports from Non-Pediatric Hospitals
  - Open Discussion

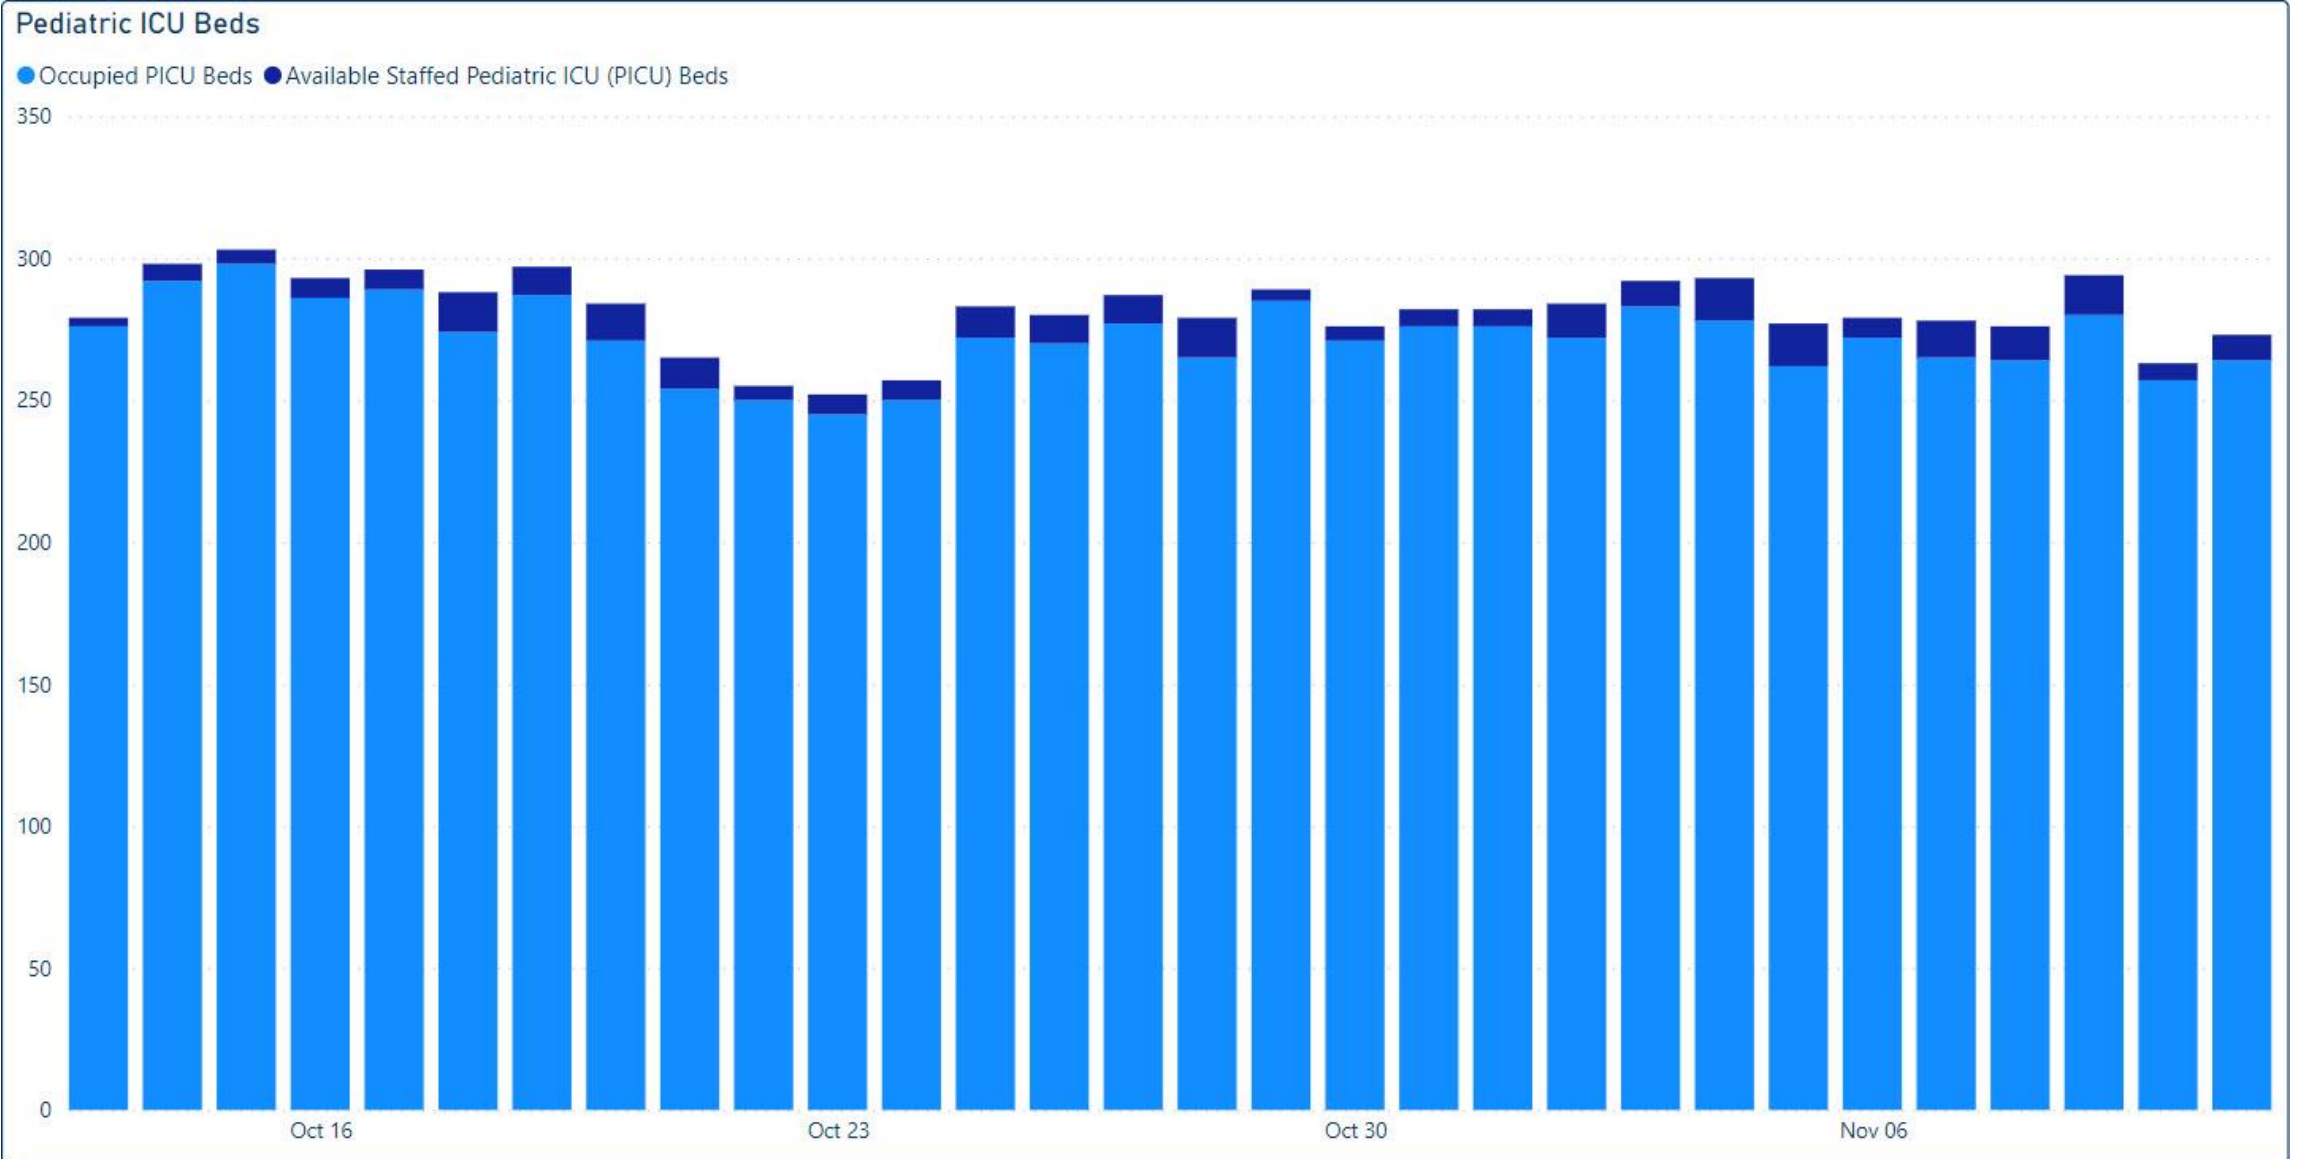

# Nationwide Pediatric Surge

- Hospitals nationwide reporting widespread pediatric surge
  - Pediatric hospitals operating near or at capacity
  - Increased difficulty in pediatric transfers, non-pediatric hospitals having to hold pediatric patients longer than normal and transfer further
  - Primarily respiratory, with recent increase in influenza
  - Right now, no state or federal funding for Pediatric Surge response activities
- Being monitored at state and federal levels
  - ASPR Information Request – October 26, 2022
  - No 1135 Waivers w/o Disaster Declaration
  - ASPR “looking into” funding, possible modification of COVID Disaster Declaration
  - ASPR Survey – HCC Pediatric Surge Activities – November 7, 2022
  - ASPR Region VI Pediatric Surge Call – November 10, 2022

# Regional Pediatric Data

# Regional Pediatric Data

# Action Items from Last Call

- Regional Resource Library for Non-Pedi Hospitals Treating Pedi Patients
  - Project Kick-Off with clinical leadership from Cook Children's and Children's Health on Friday, 11/11/2022
  - Gathering existing clinical resources/guidelines
  - Will host resource library on NCTTRAC Website
- Statewide Pedi/PICU/NICU EMResource Query
  - Will be a statewide request for reporting in EMResource
  - Available Staffed Pediatric, PICU, and NICU bed reporting
  - Pediatric/PICU beds included in COVID data, NICU is not
  - Looking for updates every 4 hours ONLY for those three data fields
  - Will have separate EMResource notification (to limit notification fatigue)
  - Implementation TBD

- Pediatric Hospitals
  - Cook Children's
  - Children's Health Dallas
  - Children's Health Plano
  - Medical City Dallas Childrens
  - Scottish Rite for Children
- Non-Pediatric Hospitals
  - If you're experiencing issues related to Pediatric Surge, discuss verbally; if not, post in chat

# *Open Discussion*
