

1. Committee Purpose and Responsibilities

- 1.1. The Pediatric Committee is responsible for promoting pediatric expertise through advocacy and education. The Pediatric Committee will serve as the resource for information regarding pediatric emergency preparedness and identify needs or trends in the management of injured and acutely ill children. The Pediatric Committee will also provide guidance in the development and review of hospital and pre-hospital assessment tools, regional plans and treatment guidelines, and the committee SOP. Additionally, the committee will provide interface with other NCTTRAC committees, professional associations appropriate to the service line, and the Governor's EMS and Trauma Advisory Council (GETAC).
- 1.2. Establish standards and procedures for the Pediatric Committee
- 1.3. Focus on pediatric education and advocacy for health care providers and community partners
- 1.4. Create broad stakeholder representation while working to provide an opportunity to share resources leading to the development, operation and evaluation of pediatric education and advocacy and within TSA - E
- 1.5. Guide decisions based on current trauma trends, data, assessment of programs, and educational and advocacy opportunities
- 1.6. Organize, support and coordinate health care evidenced based education identified through NCTTRAC regional data and/or needs assessments
- 1.7. Provide and support its members with pediatric expertise and identify pediatric education and advocacy opportunities as requested
- 1.8. Solicit members to include stakeholders such as urban/suburban and rural EMS providers, nurses, trauma coordinators, educators, businesses, and community groups

2. Sub-Committees and Work Groups

- 2.1. As deemed necessary

3. Committee Chair/Chair Elect Responsibilities

3.1. Chair

- 3.1.1. The Committee Chair serves as the principal liaison between the committee and the Board of Directors with responsibilities that include, but are not limited, to:

- 3.1.1.1. Knowledge of the Bylaws.

- 3.1.1.2. Scheduling meetings.

- 3.1.1.3. Meeting agenda and notes.

- 3.1.1.4. Providing committee report to the Board of Directors.

- 3.1.1.5. Annual review of Pediatric Plans, Guidelines, committee SOP, and SPI indicators.

- 3.1.1.6. Provide or arrange for knowledge and dissemination of appropriate liaison group activities to committee members and the Board of Directors.

- 3.1.2. The Chair must be a documented representative of a NCTTRAC member in good standing as defined in the NCTTRAC Membership and Participation SOP.

- 3.1.3. The Chair will serve a one-year term of office, beginning at the start of the Fiscal year, and be succeeded by the Chair Elect at the end of the Fiscal Year.

3.2. Chair Elect

- 3.2.1. The Committee Chair Elect assists the Chair with committee functions and assumes the Chair responsibilities for committee activity and meeting management in the temporary absence of the Chair. The Chair Elect may serve in lieu of the Pediatric Committee Chair for Board of Directors responsibilities.
- 3.2.2. The Chair Elect must be a documented representative of a NCTTRAC member in good standing as defined in the NCTTRAC Membership and Participation SOP.
- 3.2.3. The Chair Elect automatically ascends to the Chair position at the end of the current Chair's term or if the Chair position is otherwise vacated.
- 3.2.4. In the event the Chair is unable to fulfill the term, the Chair Elect shall ascend to Chair in accordance with the NCTTRAC Bylaws
- 3.2.5. The Chair Elect position will be voted on by the Pediatric Committee annually or when the incumbent has vacated this position.

4. Committee Medical Director

- 4.1. The Pediatric Committee Medical Director/Co-Medical Director is responsible for
 - 4.1.1. Participating directly with their service line committee
 - 4.1.2. Establishing and maintaining a standing coordination method with their service line peers
 - 4.1.3. Maintaining availability for coordinating with other committees' Medical Directors to recommend a minimum standard of care for providers participating in the trauma, acute, emergency healthcare and disaster response systems of TSA-E
- 4.2. The Pediatric Committee Medical Director/Co-Medical Director provides current physician insight and involvement in support of the Pediatric and its responsibilities, including:
 - 4.2.1. Identifying and assessing regional performance improvement standards, formulating strategies, and making recommendations to the committee to ensure that the best possible standards of healthcare can be met within TSA-E.
 - 4.2.2. Active partnership in the coordination and support of the following service line committee products (see Appendix A for Coordination Flowchart):

- 4.4. The Pediatric Committee Medical Director/Co-Medical Director position will be voted on by the Pediatric Committee annually, with each Fiscal Year, or if otherwise vacated.
- 4.5. The Pediatric Committee Medical Director/Co-Medical Director should be prepared, with NCTTRAC staff assistance, to facilitate a peer group of Pediatric medical directors (by email or meeting) in support of Pediatric Committee efforts as appropriate.
- 4.6. The Pediatric Committee Medical Director/CO-Medical Director will be seated as a voting representative on the NCTTRAC Medical Directors Committee.
- 4.7. The Pediatric Committee will establish a Co-Medical Director position, who meets the same criteria above, to assist as desired.

5. Committee Representation

- 5.1. In accordance with NCTTRAC Bylaws Article IX, there is not a voting core group identified within the Pediatric Committee. The absence of an identified core group opens voting rights at the committee level to all NCTTRAC Members in good standing.
- 5.2. The Pediatric Committee Leadership Group (Chair, Chair Elect, and Co-Medical Directors) may convene on an ad hoc basis to represent the committee in matters necessary to maintain contractual compliance, execute deliverables, and/or endorse emergency, off-cycle purchases for regional benefit. Actions taken will be reported at the next scheduled committee meeting

6. Committee Attendance

- 6.1. While attendance is highly encouraged in support of meaningful participation, there are no specific attendance requirements at committee level.

7. Quorum & Voting

- 7.1. Standing Committees/Subcommittees voting may be conducted by the following methods, unless otherwise addressed in the committee/subcommittee SOP:
 - 7.1.1. In person or virtually during the meeting.
 - 7.1.2. Electronically (e.g., email, fax, website) for unscheduled votes between meetings.
 - 7.1.3. Votes may be cast by proxy in accordance with NCTTRAC Bylaws Article XIV.
 - 7.1.4. The outcome of each action item will be recorded in the meeting minutes or notes.
- 7.2. As an alternative to a consensus vote at a Pediatric Committee Meeting, electronic votes may be employed. A record of responses and results must be maintained in the Meeting Notes or Minutes.
 - 7.2.1. Electronic Votes may be called via:
 - 7.2.1.1. Polls
 - 7.2.1.2. Surveys
 - 7.2.1.3. Ballots
 - 7.2.1.4. Other technologies
- 7.3. The Chair may only vote in the event of a tie; however, the Chair's organization may assign an appropriately documented voting delegate to fill their committee core group position during the Chair's term.

8. Committee Liaisons (identify active state and local service line and coalition relations, examples below)

- 9.1. Annual Review of the Committee SOP
- 9.2. Annual Review of Regional Plans & Guidelines
- 9.3. DSHS “Essential Criteria”, Rules and/or contractual deliverables, as applicable
- 9.4. GETAC Strategic Plan objectives and strategies, as applicable

10. Projected Committee Goals, Objectives, Strategies, Projects

- 10.1. Promote collaboration and commitment among all health care providers (EMS, hospital, NCTTRAC members) who care for pediatric patients
- 10.2. Collaborate with other NCTTRAC Committees to provide one public education and/or continuing education opportunity per year that is focused on enhancing care provided to pediatric population
- 10.3. Serve as a resource for pediatric best care practice dissemination and collaboration in TSA-E
- 10.4. Achieve 80% participation in the Pediatric Readiness Assessment for facilities within TSA-E
- 10.5. NCTTRAC’s “Accountability Scorecard” spreadsheet will be used to document commitments and progress with associated efforts

11. System Performance Improvement (SPI)

- 11.1. The Pediatric Committee will support Pediatric SPI responsibility by establishing a standing meeting agenda item and corresponding accountability (e.g., appoint individual facilitator, workgroup, or sub-committee).
- 11.2. At minimum, the Committee will review, evaluate, and report Pediatric EMResource utilization and make recommendations to the Executive Committee of the Board of Directors for appropriate designation/accreditation of hospitals related to initial or changes to designation/accreditation as requested/required by the Department of State Health Services (DSHS).
- 11.3. Prior to submitting an SPI event, the referring/requesting agency is expected to first contact the involved agencies/facilities in an attempt to satisfactorily resolve the issue or concern. Only after appropriate attempts have been made to satisfactorily resolve an SPI event should the referring/requesting agency formally submit an SPI event notification/request via the NCTTRAC secured ticket system.
- 11.4. Closed Pediatric SPI meetings support detailed reviews of Performance Improvement (PI) Indicators and referred PI events as afforded by Texas Statute and Rule.
 - 11.4.1. Representation:
 - 11.4.1.1. Pediatric Committee Chair

 - 11.4.1.4. Two volunteer Pediatric Committee representatives, (as needed)
 - 11.4.2. Closed Pediatric SPI meeting participants will sign a confidentiality statement prior to the start of each closed meeting.

11.4.3. Meeting notes, attendance rosters, and supporting documents of Closed SPI meetings must be provided to NCTTRAC staff within 48 hours following each meeting to be secured as a confidential record of committee activities.

11.5. SPI Products

11.5.1. Pediatric SPI Indicators

11.5.2. Pediatric SPI Referral Form

11.6. SPI Indicators

11.6.1. Utilize DFW Hospital Council Foundation and third party (ASN) statistical data to facilitate quality, performance, and injury prevention initiatives to create an SPI dashboard

11.6.2. Pediatric hospitals will accept the pediatric trauma transfer patient within 30 minutes of request when they have the resources and capacity to do so.

11.6.3. All hospitals will transfer pediatric trauma patients within two hours of arrival OR within two hours of identifying an injury that requires transfer to a higher level of care. Pediatric trauma patients will only be transferred one time to the most appropriate facility.

11.6.4. In-patient pediatric trauma transfers will be reviewed upon request through the NCTTRAC Systems Performance Improvement process.

11.6.5. Pediatric trauma patients in need of ICU care will be transferred to a tertiary care center with pediatric ICU capability within one hour of identifying the need for transfer.

11.6.6. Pediatric trained transport teams should be available within 30 minutes of request when possible.

11.6.7. Receiving hospitals will provide transferring facilities with preliminary feedback of the pediatric transfer within 30 days upon receiving the request and a formal letter upon patient discharge. When a receiving hospital's feedback letter requests follow up on a care or timeliness issue, the transferring hospital should respond within 30 days of receiving the letter.

11.6.8. All pediatric transfers occurring within TSA-E will be initiated and remain in TSA-E as the capacity of the tertiary care facilities allow and the patient's condition dictates.

11.6.9. Pediatric hospitals will submit statistical data and trauma registry data at minimum on a quarterly basis

12. Injury and Illness Prevention / Public Education

12.1. The Pediatric Committee will support Pediatric Injury/Illness Prevention and Public Education responsibility by establishing a standing meeting agenda item and corresponding accountability (e.g., appoint individual facilitator, workgroup, or sub-committee).

12.2. Focus on injury prevention and education of the public health needs.

- 12.3. Create a broad stakeholder representation working to provide an opportunity to share resources leading to the development, operation, and evaluation of public education and injury/illness prevention efforts within Trauma Service Area (TSA)-E.
- 12.4. Base decisions on current Pediatric trends and data, facts and assessment of programs and presented educational opportunities.
- 12.5. Organize, support and/or coordinate community evidenced based education and injury/illness prevention programs.
- 12.6. Recommend/support prevention priorities for TSA-E according to the injury/illness, geographic location, cost, and outcome.
- 12.7. Serve as a resource to identify prevention programs, events, and other prevention resources available in TSA-E to members and community members.
- 12.8. Establish Ad Hoc Task Forces, as necessary, to address specific issues.

13. Professional Development

- 13.1. The Pediatric Committee will support Pediatric Professional Development responsibility for all levels of providers by establishing a standing meeting agenda item and corresponding accountability (e.g., appoint individual facilitator, workgroup, or sub-committee).
- 13.2. At minimum, the Pediatric Committee will:
 - 13.2.1. Participate in the development of the Annual NCTTRAC Needs Assessment.
 - 13.2.2. Sponsor educational events based on needs assessment results and potential committee request within annual budgetary limits.

14. Unobligated Budget Requests

- 14.1. Recommendations from the Pediatric Committee, coordinated through the Finance Committee, seeking approval from the Board of Directors for financial backing and execution authority in support of related initiatives, projects, and/or education efforts within TSA-E.
